1) RESPECT

As a student, you are expected to respect yourself, teachers, staff, school property, as well as other's belongings. Especially show respect when working in pairs and small groups.

2) MAKE GOOD DECISIONS

As a student, you know the school rules and regulations and you must follow and abide to them in this class always. Part of making good decisions in class includes not using electronic devices, iPods, and cell phones in class. You can make a good decision by being on task, doing your homework or raising your hand to ask questions.

3) SOLVE YOUR PROBLEMS

As high school students, you are expected to use your problem solving skills. For example, asking for help when necessary, asking for missed work, and bringing your materials.

Disciplinary Procedure for Classroom Misconduct (from Calaveras High School Handbook)

- Step 1 – Teacher/Student Conference
- Step 2 – Detention/Parent/Guardian Contact
- Step 3 – Referral to office
- Step 4 – Removal from class or suspension
