

¡IR DE COMPRAS!

(GOING SHOPPING)

Procedure:

1. Make a list of seven items you want to buy. You may write them down on the back side of this handout. Use your clothing vocabulary sheet. Be sure to include the color of each item.
2. Go Shopping! Ask around until you find someone who has what you're looking for. You may need to have an alternate color if you can't find the color you want. Shop around for the best price! Use the vocabulary phrases given below.
3. When you find the item you want, take note of who has it, their catalog number, and the price. Use the back of this paper to take notes.
4. When you've found all seven of your items, go back to your seat and fill out the order form at the bottom of this page.

Helpful Vocabulary:
