

**NOTICE TO EMPLOYEES**  
**RECENT INFORMATION FROM CALAVERAS COUNTY TREASURER-TAX COLLECTOR**  
**JUNE 2013**

We have recently been asked by our County Treasurer-Tax Collector to notify our employees of a fraud situation occurring with depositing paychecks in our County. There have been reports of individuals depositing their paychecks through their cell phone, and then again in person at the bank, thus the employee is depositing their paycheck twice. Please be aware that this is considered fraud and individuals committing such acts will be subject to prosecution and possible disciplinary action.
