Describe the need/use :

Agreement and Disclaimer:

The use of this device on the CUSD network is subject to the terms and conditions set forth by your signature on the CUSDNet Internet Use Agreements:

Employee Technology Use Agreement E4040.H

Use of this device on the network is also subject to the following conditions:

1. CUSD may monitor all traffic to and from the device.
2. CUSD may inspect the hardware, software, and data of this device at any time.
3. CUSD may require specific software be installed and running on the device.
4. CUSD may deny service to this device at any time, for any reason, without warning.
5. CUSD will not be responsible for damage to equipment or loss of data from this device.

Please NOTE:

You are responsible for installation of and troubleshooting problems with personal equipment.

I agree to the conditions listed above, and I further agree to maintain the hardware and software in good operating condition, at my own expense, free from viruses, spyware, and other software which place excessive demands on the network.
