

CIVILITY POLICY

Members of CUSD staff will treat parents and other members of the public with respect and expect the same in return. The District is committed to maintaining orderly educational and administrative processes in keeping schools and administrative offices free from disruptions and preventing unauthorized persons from entering school/district grounds.

This policy promotes mutual respect, civility and orderly conduct among District employees, parents and the public. This policy is not intended to deprive any person of his/her right to freedom of expression, but only to maintain, to the extent possible and reasonable, a safe, harassment-free workplace for our students and staff. In the interest of presenting District employees as positive role models to the children of this District, as well as the community, CUSD encourages positive communication, and discourages volatile, hostile or aggressive actions. The District seeks public cooperation with this endeavor.

Disruptions

1. Any individual who disrupts or threatens to disrupt school/office operations; threatens the health and safety of students or staff; willfully causes property damage; uses loud and/or offensive language which could provoke a violent reaction; or who has otherwise established a continued pattern of unauthorized entry on school district property, will be directed to leave school or school district property promptly by the Site Administrator or designee.
2. If any member of the public uses obscenities or speaks in a demanding, loud, insulting and/or demeaning manner, the administrator or employee to whom the remarks are directed will calmly and politely admonish the speaker to communicate civility. If corrective action is not taken by the abusing party, the District employee will verbally notify the abusing party that the meeting, conference or telephone conversation is terminated and, if the meeting or conference is on District premises, the offending person will be directed to leave promptly.
3. When an individual is directed to leave under such Paragraph 1 or 2 circumstances, the Site Administrator or designee shall inform the person that he/she will be guilty of a misdemeanor in accordance with California Education Code 44811 and Penal codes 415.5 and 626.7, if he/she reenters any district facility within 30 days after being directed to leave, or within seven days if the person is a parent/guardian of a student attending that school. If an individual refuses to leave upon request or returns before the applicable period of time, the Site Administrator or designee may notify law enforcement officials. An Incident Report (copy attached) should be completed for the situations as set forth in paragraphs 1 and 2.

Employees and supervisors should complete an Incident Report and report to law enforcement, any attack, assault or threat made against them on School/District premises or at School/District sponsored activities.
6. An employee whose person or property is injured or damaged by willful misconduct of a student, may ask the district to pursue legal action against the student or the student's parent/guardian.
