

Preretirement Part-Time Employment

Personnel

On a case-by-case basis, the Superintendent or designee may allow a certificated employee to reduce his/her workload from full time to part time when doing so does not disrupt the educational program and is in the best interests of the district.

A certificated employee who is a member of the defined benefit program of the California State Teachers' Retirement System (STRS) and who reduces his/her workload to part time may maintain the retirement and health and welfare benefits that he/she would have received if employed on a full-time basis under the following conditions: (Education Code 22713, 44922)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

1. The option to reduce the employee's workload shall be exercised at the request of the employee and can be revoked only with the mutual consent of the Superintendent or designee and the employee. The agreement to reduce the workload shall be in effect at the beginning of the school year.
2. Prior to the reduction in workload, the employee shall have performed creditable service on a full-time basis for a minimum of 10 years, of which the immediately preceding five years were full-time employment.
3. The employee shall not have had a break in service during the five years immediately preceding the reduction in workload. Sabbaticals, other approved leaves of absence, and unpaid absences for personal reasons from full-time employment shall not constitute a break in service. However, the period of time during which a member is retired shall constitute a break in service and an employee who reinstates from retirement shall be required to be employed in creditable service on a full-time basis for at least five school years preceding the workload reduction.

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

4. The employee shall have reached the age of 55 years prior to the workload reduction.
5. The employee shall not hold a position with a salary above that of a school principal.
6. The period of the reduced workload shall not exceed 10 years.
7. The reduced workload shall be equal to at least one-half of the full-time equivalent required by the employee's contract of employment in accordance with Education Code 22138.5 during his/her final year of full-time employment.

8. The employee shall be paid compensation that is the pro rata share of the compensation the employee would have earned had he/she not opted to reduce his/her workload.

Prior to the reduction of an employee's workload, the Superintendent or designee shall verify the employee's eligibility in conjunction with the administrative staff of STRS and/or the Public Employees' Retirement System. (Education Code 22713)

The Superintendent or designee shall maintain the necessary records to separately identify each employee who participates in the reduced workload program. (Education Code 22713)
