EXPOSURE CONTROL PLAN FOR BLOODBORNE PATHOGENS

Hepatitis B Vaccine Declination

NOTE: The Code of Regulations, Title 8, Section 5193 requires the district to ensure that the following statement is signed by any employee who declines to accept the hepatitis B vaccination offered by the district.

I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no charge to me.
