### **SAFE SCHOOLS**

The Governing Board is committed to providing students and employees with a safe environment in which to learn and work that is free from illicit drugs, alcohol, and weapons.

To this end, the Board prohibits the presence of drugs, controlled substances, alcohol, weapons of any type, explosive devices, or any other intoxicant on District property or at any District sponsored event. The prohibition applies to employees, students, patrons, visitors, and any other person.

All persons are responsible for the security of any locker, desk, bag, or other item they possess or bring onto District property or to a District sponsored event, and for any vehicle brought onto school property and/or within 1,000 feet of District property as outlined in the federal Drug Free School Zone laws. No person shall possess, place, keep, or maintain any article or material that is prohibited by law or District policy in items, lockers, vehicles, desks, or bags assigned to them or under their control while on District property or at a District sponsored event.

In an effort to keep the work place and schools free of the above referenced items, the District will utilize the services of nonaggressive trained detection canines to sniff out and alert to the presence of those substances prohibited by law or District policy. These inspections shall be unannounced and will be made at the discretion of the program coordinator assigned by the District.
