

Instruction

PRENATAL SUBSTANCE USE PREVENTION EDUCATION

In compliance with California Education Code Section 51203, the Calaveras Unified School District will provide instruction upon the effects of alcohol, narcotics, restricted dangerous drugs, and other dangerous substance upon prenatal development as determined by science (reference Health and Safety Code Section 11032), as part of the comprehensive substance use prevention education program.

This instruction will be provided in Family Life Education classes in grades 7-12.
