

REQUEST TO POSTPONE PHYSICAL EDUCATION REQUIREMENT

**CALAVERAS HIGH SCHOOL
350 HIGH SCHOOL STREET
SAN ANDREAS, CA 95249**

Student _____

Date _____

My student has made his/her best faith effort to enroll in a physical education class or physical education elective during the school year and/or during summer school, but he/she is unable to fit one semester of the second year of physical education into his/her impacted schedule.

I request that my student be allowed to waive **one semester of the second year** (BP 6142.94 (b)) of the physical education requirement authorized by the California Education Code section 51242 and be allowed to participate in an interscholastic sport* or an accredited program deemed appropriate by the principal or the principal's designee.

I realize that this waiver will be held by the registrar and will be applied to my student's transcript during the final semester of his/her senior year if my student's program provides proof of a four year impacted schedule.

A copy of my student's four year plan and current schedule are attached to this request for postponement of physical education.
