Classification of Records

Records means all records, maps, books, papers, and documents of a school district required by law to be prepared or retained as necessary or convenient to the discharge of official duty.

(5 CCR 16020)

(cf. 1340 - Access to District Records)

Before January 1, the Superintendent or designee shall review the prior year's records and shall classify them as either a Class 1 (Permanent), Class 2 (Optional), or Class 3 (Disposable) record.

(5 CCR 16022)

Records of continuing nature (active and useful for administrative, legal, fiscal, or other purposes over a period of years) shall not be classified until such usefulness has ceased. (5 CCR 16022)

An inventory of equipment shall be a continuing record and shall not be classified until the inventory is superseded or until the equipment is removed from district ownership. (5 CCR 16022)

(cf. 3440 - Inventories)

A student's cumulative record is a continuing record until the student ceases to be enrolled in the district. (5 CCR 16022)

(cf. 5125 - Student Records)

When an electronic or photographed copy of a Class 1 (Permanent) record has been made, the copy may be classified as Class 1 (Permanent) and the original classified as either Class 2 (Optional) or Class 3 (Disposable). However, no original record that is basic to any required audit may be destroyed prior to the second July 1st succeeding the completion of the audit. (Education Code 35254)

Class 1 - Permanent Records

The original of each of the following records, or one exact copy of it when the original is required by law to be filed with another agency, is a Class 1 (Permanent) record and shall be retained indefinitely unless microfilmed in accordance with 5 CCR 16022: (5 CCR 16023)

- b. Financial reports of all funds, including cafeteria and student body funds

- d. Average daily attendance, including Period 1 and Period 2 reports
- e. Other major annual reports, including:
 - (1) Those containing information relating to property, activities, financial condition, or transactions
 - (2) Those declared by Governing Board minutes to be permanent

(cf. 3100 - Budget)

(cf. 3452 - Student Activity Funds)

(cf. 3460 - Financial Reports and Accountability)

(cf. 3551 - Food Service Operations/Cafeteria Fund)

2. Official Actions

- c. Records transmitted by another agency pertaining to its action with respect to district reorganization

(cf. 7214 - General Obligation Bonds)

(cf. 9324 - Minutes and Recordings)

3. Personnel Records

Class 1 (Permanent) records include all detailed records relating to employment; assignment; amounts and dates of service rendered; termination or dismissal of an employee in any position; sick leave record; rate of compensation, salaries, or wages paid; and deductions or withholdings made and the person or agency to whom such amounts were paid. In lieu of the detailed records, a complete proven summary payroll record for each employee containing the same data may be classified as a Class 1 (Permanent) record and the detailed records may then be classified as Class 3 (Disposable) records.

Information of a derogatory nature as defined in Education Code 44031 shall be retained as a Class 1 (Permanent) record only when the time for filing a grievance has passed or the document has been sustained by the grievance process.

(cf. 4112.5/4212.5/4312.5 - Criminal Record Check) (cf. 4112.6/4212.6/4312.6 - Personnel Files)

4. Student Records

The records of enrollment and scholarship for each student required by 5 CCR 432 and all records pertaining to any accident or injury involving a minor for which a claim for damages had been filed as required by law shall be classified as Class 1 (Permanent) records. These include any related policy of liability insurance, except that these records cease to be Class 1 (Permanent) records one year after the claim has been settled or the statute of limitations has expired.

(cf. 5111.1 - District Residency)
(cf. 5141 - Health Care and Emergencies) (cf. 5143 - Insurance)

5. Property Records

Class 1 (Permanent) records include all detailed records relating to land, buildings, and equipment. In lieu of detailed records, a complete property ledger may be classified as a Class 1 (Permanent) record. The detailed records may then be classified as Class 3 (Disposable) records if the property ledger includes all fixed assets; an equipment inventory; and, for each piece of property, the date of acquisition, name of previous owner, a legal description, amount paid, and comparable data if the unit is disposed of.

(cf. 3280 - Sale or Lease of District-Owned Real Property)

Class 2 - Optional Records

Any records considered temporarily worth keeping, but which are not Class 1 records, may be classified as Class 2 (Optional) records and shall be retained until reclassified as Class 3 (Disposable) records. If, by agreement of the Board and Superintendent or designee, classification of the prior year records has not been made before January 1 as specified in 5 CCR 16022, all records of the prior year may be classified as Class 2 (Optional) records pending further review and classification within one year. (5 CCR 16024)

Class 3 - Disposable Records

All records not classified as Class 1 (Permanent) or as Class 2 (Optional) records shall be classified as Class 3 (Disposable) records. These include, but are not limited to, detailed records basic to audit, including those relating to attendance, average daily attendance, or business or financial transactions; detailed records used in preparing another report; teachers' registers if all information required by 5 CCR 432 is retained in other records or if the General Records pages are removed from the register and classified as Class 1 (Permanent) records; and periodic reports, including daily, weekly, and monthly reports, bulletins, and instructions. (5 CCR 16025)

All Class 3 (Disposable) records shall be destroyed during the third school year after the school year in which the records originated. In addition, Class 3 (Disposable) records shall not be destroyed until after the third school year following the completion of any legally required audit or the retention period required by any agency other than the State of California, whichever is later. A continuing record shall not be destroyed until the fourth year after it has been classified as a Class 3 (Disposable) record. (5 CCR 16026, 16027)

(cf. 5113.2 - Work Permits)

Electronically Stored Information

Employees shall be required to regularly purge their email accounts and district-issued computers, cell phones, and other communication devices of personal electronically stored information and other information unrelated to district business. The Superintendent or designee may check for appropriate use of any district-owned equipment at any time.

Email accounts are not intended for permanent storage of District records. It is each employee's responsibility to save and/or file email that he or she receives and wishes thereafter to access, or that are District records and required to be retained by law. "District records" means all records, maps, books, papers, and documents prepared or retained as necessary or convenient to the discharge of official duty and includes any writing containing information related to the conduct of the public's

business prepared, owned, used, or retained by the District regardless of physical characteristics and regardless of the location where the records are stored. Emails or other electronic records related to District business shall be either: (1) saved to an electronic system other than the District email account, (2) electronically archived, or (3) printed on paper and filed as appropriate. It is presumed that District business emails will be stored in such manner by District employees on a regular basis, and therefore emails older than one year stored in an employee's District email account may be purged by the District's information technology department, unless such emails are relevant to litigation or anticipated litigation. Emails older than two years that are stored in a District-maintained archive system may be purged by the District's information technology department. Email trash folders may be purged as often as every 90 day(s) by the District's information technology department.
