(Education Code 48000)

The district may enroll an early enrollment child in TK whose fourth birthday is between June 3 and September 1, inclusive, preceding the school year during which they are enrolled in TK. If an early enrollment child is enrolled in the district's TK program, the district shall concurrently offer the child enrollment in the district's CSPP, subject to available space. (Education Code 48000.15)

The district's full-day program shall operate for a minimum of 246 days per year, unless the contract specifies a lower number of days of operation, and for the number of operational hours reasonably necessary to meet the preschool needs of the families in the community. (Education Code 8207; 5 CCR 17728)

Eligibility Criteria for Part-Day CSPP Programs

A three- or four-year-old child is eligible for a part-day CSPP program if the child's family is one of the following: (Education Code 8208)

1. A current aid recipient
2. Income eligible
3. Experiencing homelessness
4. One whose children are recipients of child protective services, or whose children have been identified as being abused, neglected, or exploited, or at risk of being abused, neglected or exploited
5. One who has children with exceptional needs, as defined in Education Code 8205
6. One with a household member who is certified to receive benefits from Medi-Cal, CalFresh, the California Food Assistance Program, the California Special Supplemental Nutrition Program for Women, Infants, and Children, the federal Food Distribution Program on Indian Reservations, Head Start, Early Head Start, or any other designated means-tested government program, as determined by CDE

After all eligible three- and four-year-old children have been enrolled as provided above, a part-day CSPP program may provide services to children in families whose income is no more than 15 percent above the income eligibility threshold, as described in Education Code 8213. No more than 10 percent of all the children enrolled in the CSPP program shall be from families above the income eligibility threshold. (Education Code 8208)

In addition, after all otherwise eligible children have been enrolled as provided in the paragraphs above, a part-day CSPP program may provide services to three- and four-year-old children in families whose

income is above the income eligibility threshold if those children are children with exceptional needs. Such children with exceptional needs shall not count towards the 10-percent limit on enrollment of families with income above the income eligibility threshold described above. (Education Code 8208)

A CSPP program operating within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price lunch may enroll three- and four-year-old children after all otherwise eligible children have been enrolled as provided in the paragraphs above. (Education Code 8208, 8217)

The district shall certify eligibility and enroll families into the part-day preschool program within 120 calendar days prior to the first day of the beginning of the new preschool year. Subsequent to a child's enrollment, the child shall be deemed eligible for the part-day CSPP program for the remainder of the program year and for the following program year, provided applicable age-eligibility requirements are met, as specified in Education Code 8205 and 48000. (Education Code 8208)

Enrollment Priorities for Part-Day CSPP Programs

The district shall give priority for part-day CSPP programs as follows: (Education Code 8210)

1. The first priority for services shall be given to three- or four-year-old children who are recipients of child protective services or who are at risk of being neglected, abused, or exploited and for whom there is a written referral from a legal, medical, or social service agency. If the district is unable to enroll a child in this first priority category, the district shall refer the child's parent/guardian to local resources and referral services so that services for the child can be located.
2. When the number of three- or four-year old children with exceptional needs required to be enrolled pursuant to Education Code 8208 have been enrolled and there are additional children with exceptional needs who are interested in enrolling, the second priority for services shall be given to all three- and four-year old children with exceptional needs from families with incomes below the income eligibility threshold, as described in Education Code 8213. Within this priority category, children with exceptional needs from families with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the Superintendent of Public Instruction (SPI) at the time of enrollment, shall be enrolled first. If two or more families have the same income ranking, the child that has been on the waiting list for the longest time shall be admitted first.
3. The third priority shall be given to eligible four-year-old children who are not enrolled in a state-funded TK program. This priority shall not include children eligible for enrollment as children with exceptional needs pursuant to Education Code 8208(a)(1)(E), who are from families with incomes above the income eligibility threshold, as described in Education Code 8213. Within this priority category, eligible children with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the SPI at the time of enrollment, shall be enrolled first.

If two or more families have the same income ranking according to the most recent schedule of income ceiling eligibility table, a child who is identified as a dual language learner shall be enrolled

first. If there are no children identified as dual language learners, the child that has been on the waiting list for the longest time shall be admitted first.

4. The fourth priority shall be given to eligible three-year-old children. This priority shall not include children eligible for enrollment as children with exceptional needs pursuant to Education Code 8208(a)(1)(E), who are from families with incomes above the income eligibility threshold, as described in Education Code 8213. Enrollment determinations within this priority category shall be made in the same way as for third priority in Item #3 above.
5. The fifth priority, after all otherwise eligible children have been enrolled, shall be given to children from families whose income is no more than 15 percent above the eligibility income threshold, as described in Education Code 8213. Within this priority category, priority shall be given to three- and four-year-old children with exceptional needs interested in enrolling beyond those already enrolled in the 10 percent of funded enrollment set aside pursuant to Education Code 8208, then to four-year old children before three-year-old children without exceptional needs.
6. After all otherwise eligible children have been enrolled in the first through fifth priority categories, as described in Items #1-5 above, the district may enroll other children in the following order:
 - a. A CSPP program site operating within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price meals as described in Education Code 8217 may enroll any three- or four-year-old children whose families reside within the attendance boundary of the qualified elementary school. These children shall, to the extent possible, be enrolled by lowest to highest income according to the most recent schedule of income ceiling eligibility table.
 - b. Children enrolling in a CSPP program that provides expanded learning and care to TK or kindergarten students, pursuant to Education Code 48000

Regardless of the priorities listed above, until the district attains the percent of funded enrollment set aside for children with exceptional needs pursuant to Education Code 8208, children with exceptional needs shall be enrolled without regard to the priorities listed above. Within this category, eligible children with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the SPI at the time of enrollment, shall be enrolled first. If two or more families have the same income ranking, the child that has been on the waiting list for the longest time shall be admitted first. (Education Code 8210)

Eligibility and Enrollment Priorities for Full-Day CSPP Programs

A three- or four-year-old child is eligible for a full-day CSPP program if the family meets both of the following requirements: (Education Code 8208)

1. The child's family is one of the following:
 - a. A current aid recipient, income eligible, or experiencing homelessness

- b. One whose children are recipients of child protective services, or whose children have been identified as being abused, neglected, or exploited, or at risk of being abused, neglected, or exploited
 - c. One who has children with exceptional needs, as defined in Education Code 8205
 - d. One with a household member who is certified to receive benefits from Medi-Cal, CalFresh, the California Food Assistance Program, the California Special Supplemental Nutrition Program for Women, Infants, and Children, the federal Food Distribution Program on Indian Reservations, Head Start, Early Head Start, or any other designated means-tested government program, as determined by CDE
2. The child's family needs the childcare services because of either the following:
- a. The child is identified by a legal, medical, or social services agency, the district liaison for homeless students, a Head Start program, or an emergency or transitional shelter as being a recipient of protective services; as being or at risk of being neglected, abused, or exploited; or as experiencing homelessness
 - b. The parents/guardians are participating in vocational training leading directly to a recognized trade, paraprofession, or profession; are engaged in an educational program for English language learners or to attain a high school diploma or general educational development certificate; are employed or seeking employment; are seeking permanent housing for family stability; or are incapacitated

After all eligible three- and four-year-old children have been enrolled as provided above, a full-day CSPP program may provide services to children in families whose income is no more than 15 percent above the income eligibility threshold, as described in Education Code 8213. No more than 10 percent of all the children enrolled in the CSPP program shall be from families above the income eligibility threshold. (Education Code 8208)

After all families meeting the criteria specified in the paragraphs above have been enrolled, a full-day CSPP program may provide services to three- and four-year-old children in families who do not meet at least one of the criteria in Item #2 above. (Education Code 8208)

After all otherwise eligible children have been enrolled as provided above, a CSPP program operating within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price meals as described in Education Code 8217 may enroll any four-year-old child. (Education Code 8208)

For full-day CSPP programs, the district shall use the same priority ranking specified in Items #1-4 of "Enrollment Priorities for Part-Day CSPP Programs" above, and the following: (Education Code 8211)

1. After all otherwise eligible children based on Items #1-4 of "Enrollment Priorities for Part-Day CSPP Programs" have been enrolled, fifth priority shall be given to children from families whose income is no more than 15 percent above the eligibility income threshold, as described in Education Code 8213. Within this priority category, priority shall be given to three- and four-year-old children with

an IFSP or IEP, then to four-year old children before three-year-old children without IFSP or IEP.

2. After all otherwise eligible children based on Items #1-4 of "Enrollment Priorities for Part-Day CSPP Programs" and Item #1 above have been enrolled, the district may enroll other children in the following order:
 - a. Three- and four-year old children from families who do not meet at least one of the need requirements in Item #2 above. Within this priority, families shall be enrolled in income ranking order, lowest to highest, and within income ranking order, four-year old children before three-year old children
 - b. When a CSPP program site operates within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price meals as described in Education Code 8217, three- or four-year-old children whose families reside within the attendance boundary of the school may be enrolled without establishing eligibility or a need for services. Such children shall, to the extent possible, be enrolled by lowest to highest income ranking order.

Regardless of the priorities listed above, until the district attains the percent of funded enrollment set aside for children with exceptional needs pursuant to Education Code 8208, children with exceptional needs shall be enrolled without regard to the priorities listed above. Within this category, eligible children with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the SPI at the time of enrollment, shall be enrolled first. If two or more families have the same income ranking, the child that has been on the waiting list for the longest time shall be admitted first. (Education Code 8211)

Upon establishing initial eligibility or ongoing eligibility for a full-day CSPP program, a family shall be considered to meet all eligibility and need requirements for those services for not less than 24 months. Such families shall receive those services for not less than 24 months before having eligibility or need recertified, and shall not be required to report changes to income or other changes for at least 24 months. If the eligibility period ends before the end of a program year, eligibility shall be extended until the end of the program year, provided age-eligibility requirements are met, as specified in Education Code 8205. However, a family that establishes initial eligibility or ongoing eligibility on the basis of income shall report increases in income that exceed the threshold for ongoing income eligibility, as described in Education Code 8213, and the family's ongoing eligibility for services shall at that time be recertified. In addition, a family may, at any time, voluntarily report income or other changes. This information shall be used, as applicable, to reduce the family's fees, increase the family's services, or extend the period of the family's eligibility before recertification. (Education Code 8208)

Waiting List

The Superintendent or designee shall consult the county's centralized eligibility list, when available, or shall maintain a district waiting list in accordance with applicable enrollment priorities. As vacancies occur, applicant families shall be contacted in order of priority on the waiting list. (5 CCR 17744)

Combined Preschool/Transitional Kindergarten Classroom

When a child is eligible for both the preschool program and the district's TK program, the district may place the child in a classroom which is commingled with children from both programs as long as the commingled program meets all of the requirements of each program as well as the following requirements: (Education Code 8207, 48000)

1. An early childhood environment rating scale, as specified in 5 CCR 18281, shall be completed for the classroom
2. All children enrolled for 10 or more hours per week shall be evaluated using the Desired Results Developmental Profile, as specified in 5 CCR 18272
3. The classroom shall be taught by a teacher who holds a credential issued by the Commission on Teacher Credentialing in accordance with Education Code 44065 and 44256
4. The classroom shall comply with the adult-child ratio specified in Education Code 8241
5. Contractors of the district shall report the services, revenues, and expenditures for children in the CSPP in accordance with 5 CCR 18068
6. The classroom shall not include children enrolled in TK for a second year or children enrolled in a regular kindergarten classroom

Fees and Charges

Fees for participation in the district's full-day CSPP program shall be assessed and collected in accordance with the fee schedule established by the SPI in conjunction with the California Department of Social Services. (Education Code 8252)

Family fees accrued but uncollected prior to October 1, 2023, may be forgiven and not collected. (Education Code 8252)

In addition, no fee shall be charged to an eligible family whose child is enrolled in a part-day preschool program or a family that is receiving CalWORKs cash aid. (Education Code 8253; 5 CCR 17735)

A family may be exempt from the fees for up to 12 months for any child enrolled in full-day preschool on the basis of being the recipient of child protective services or as being, or at risk of being, abused, exploited, or neglected. (Education Code 8253; 5 CCR 17735)

The Superintendent or designee shall establish a process that involves parents/guardians in determining whether to require parents/guardians to provide diapers and/or whether and how much to charge parents/guardians for field trip expenses, within the limit specified in law. A child shall not be denied participation in a field trip due to the parent/guardian's inability or refusal to pay the fee, and no adverse action shall be taken against a parent/guardian for that inability or refusal. (Education Code 8254)

Disenrollment Based on Reduced Funding

When necessary to disenroll families from subsidized preschool services, families shall be disenrolled in reverse order of the priority for services specified in Education Code 8210 and 8211 and as described above in the sections "Enrollment Priorities for Part-Day CSPP Programs" and "Eligibility and Enrollment Priorities for Full-Day CSPP Programs." (Education Code 8214; 5 CCR 17744)

Expulsion/Unenrollment and Suspension Based on Behavior

Suspension means any removal of a child from all or part of the program day, or the prevention of a child from attending the program for one or more days, in response to the child's behavior.

Removing the child from the program means moving a child to an isolated or separate room. Programs may remove children from specific situations to allow the child to calm down or regain composure, such as taking the child for a walk or accompanying the child to an outdoor environment. However, the child must return to the classroom as soon as the child has calmed down and may not be removed for longer than 30 minutes.

Expulsion means the permanent dismissal of a child from a program in response to a child's behavior.

Persistent and serious behaviors means either repeated patterns of behavior that significantly interfere with the learning of other children, or interactions with peers and adults that are not responsive to the use of developmentally appropriate guidance, including, but not limited to, physical aggression, property destruction, and self-injury.

A district preschool program shall not expel or unenroll a child or persuade or encourage a child's parents/guardians to voluntarily unenroll from the program based on the child's behavior, unless the district first takes the following actions to address the child's behavior: (Education Code 8489.1)

1. In writing, inform the parents/guardians of the child's persistent and serious behaviors and consult with the parents/guardians and teacher in an effort to maintain the child's safe participation in the program
2. If the child has an IFSP or IEP, contact, with written parent/guardian consent, the agency or district employee responsible for such plan or program to seek consultation in regard to serving the child
3. If appropriate, consider completing a comprehensive screening of the child, including, but not limited to, screening the child's social and emotional development, referring the parents/guardians to community resources, and implementing behavior supports within the program

If the district has taken the actions specified in Items #1-3 above and the child's continued enrollment would present a serious safety threat to the child or other enrolled children, the district shall refer the parents/guardians to other potentially appropriate placements, the local child care resource and referral agency, or any other referral service available in the local community. The district shall, to the greatest

extent possible, support direct transition to a more appropriate placement. The district may then unenroll the child. The district shall have up to 180 days to complete the actions described above. (Education Code 8489.1)

A child shall not be suspended from a CSPP program, nor shall a child's parent/guardian be encouraged or persuaded to prematurely pick up a child before the program day ends, except as a last resort in extraordinary circumstances, when a safety threat exists that cannot be eliminated or reduced without the removal of the child.

Before determining that a suspension is necessary, the district shall collaborate with the child's parents/guardians and, as needed, shall use appropriate community resources to determine that no other reasonable option is appropriate.

When suspension is deemed necessary, the district shall help the child return to full participation in the program as soon as possible while ensuring safety, by doing the following:

1. Continuing to engage with the child's parents/guardians and continuing to use appropriate community resources
2. Developing a written plan to document the action and supports needed
3. Providing referrals to appropriate community resources
4. If the child has an IFSP or IEP, contacting, with written parent/guardian consent, the agency responsible for the child's IFSP or IEP, to seek consultation on servicing the child

Upon enrollment, the parents/guardians of each child shall be notified, in writing, of the limitations on expulsion, suspension, or any form of disenrollment and how the parents/guardians may file an appeal to CDE in the event of expulsion or suspension. If the district suspends or expels a child from any CSPP program, the district shall, at least 24 hours before the effective date of the suspension or expulsion, issue the child's parents/guardians a written "Notice of Action, Recipient of Services," as described in 5 CCR 17783, informing the parents/guardians of the right to file an appeal of the action directly with CDE no later than 14 calendar days after receiving the notice.

Children with exceptional needs may only be suspended or expelled in conformance with the procedures and limitations of the Individuals with Disabilities Education Act.

Notice of Action

Upon receiving a parent/guardian's application for services, the Superintendent or designee shall review the application and documentation and shall certify the eligibility of the family or child.

The district's decision to approve or deny a child's enrollment shall be communicated to the family through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 17782)

Subsequently, the Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 17783)

1. A determination during recertification or update of the application that the need or eligibility requirements are no longer being met or the fee or amount of service needs to be modified
2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing
3. An indication by the parent/guardian that the parent/guardian no longer wants the service
4. The death of a parent/guardian or child
5. The conclusion of a limited-term agreement, provided that the parent/guardian has been informed in writing of the date that the services would terminate

For each child enrolled in the district's preschool program, the Superintendent or designee shall maintain a family data file including, but not limited to, a completed and signed application for services, documentation of income eligibility, and a copy of all Notices of Action. For each child not receiving subsidized services, the family data file shall also include records of the specific reason(s) for enrolling each child, the child's family income, and evidence that the district has made a diligent search for children eligible for subsidized services. (5 CCR 17758)

Parent Hearing

If a parent/guardian disagrees with any district action to deny the child's eligibility for subsidized preschool services, disenroll the child due to a funding shortage, increase or decrease fees, increase or decrease the amount of services, terminate services, or otherwise change the level of services, the parent/guardian may file a request for a hearing with the Superintendent or designee within 14 calendar days of the date the Notice of Action was received. Within 10 calendar days of receiving the request for a hearing, the Superintendent or designee shall notify the parent/guardian of the time and place of the hearing, which, to the extent possible, shall be convenient for the parent/guardian. (5 CCR 17784)

The hearing shall be conducted in accordance with the procedures specified in 5 CCR 17784 by a district administrator who is at a staff level higher in authority than the staff person who made the contested decision. Within 10 calendar days after the hearing, the district administrator shall mail or deliver a written decision to the parent/guardian. If the parent/guardian disagrees with the written decision, the parent/guardian may, within 14 calendar days, appeal the decision to CDE. (5 CCR 17785-17786)
