AR 6146.2

Instruction

Certificate of Proficiency

The principal of each high school shall distribute to each student in grades 11-12 an announcement explaining the California High School Proficiency Examination (CHSPE). Announcements from the California Department of Education (CDE) or its contractor shall be distributed early enough to enable interested students to register for the test to be given in the fall of that year. (5 CCR 11523)

(cf. 5145.6 - Parental Notifications)

The principal also shall advise students that the certificate of proficiency awarded upon passing the CHSPE, while equivalent to a high school diploma, is not the equivalent of completing all coursework required for high school graduation and therefore students should contact the admissions office of the college or university they are interested in attending to determine if the certificate satisfies college admission requirements.

A student may take the CHSPE if the student meets one of the following conditions: (Education Code 48412)

1. Is age 16 or older
2. Has been enrolled in the 10th grade for one school year or longer
3. Will complete one school year of enrollment in 10th grade at the end of the semester during which the CHSPE will be administered

If a student receives the certificate of proficiency, the district shall indicate the student's accomplishment and the date of the award on the student's official transcript. (5 CCR 11521)

(cf. 5125 - Student Records)

Any student who has received the certificate of proficiency may be exempted from compulsory school attendance upon the student's request, with verified parent/guardian consent as appropriate. For this purpose, the Superintendent or designee shall provide a consent form which contains at least the following information: (Education Code 48410; 5 CCR 11522)

1. A general explanation of the student's rights of exemption from compulsory attendance and of re-enrollment in the public high schools

2. The date of issuance of the certificate of proficiency
3. The signature of the parent/guardian and the date
4. The signature of the school administrator who has personally confirmed the authenticity of the parent/guardian's signature and the date

(cf. 5112.1 - Exemptions from Attendance)

If a student age 16 or 17 terminates enrollment after receiving the high school proficiency certificate, the student may re-enroll in the district. If the student subsequently terminates enrollment again, the student may be denied re-enrollment until the beginning of the following semester. (Education Code 48414)

(cf. 6184 - Continuation Education)
